ABSA BANK - CAPITAL MARKETS POST-TRADE SETTLEMENT SOP (2026)

SECTION 1: T+1 EQUITY SETTLEMENT MANDATE

All institutional equity trades executed on the JSE must complete final settlement within T+1 business days by 14:00 SAST. Trades failing pre-settlement matching at 11:00 SAST trigger an automated BaNCS exception alert.

SECTION 2: BANCS RECONCILIATION ERROR CODES

- Error Code BANCS-401 (ISIN Mismatch): Halt settlement immediately and route to Reference Data Operations.
- Error Code BANCS-504 (Insufficient Counterparty Nostro Balance): Place trade in Pending Queue for 45 minutes. If unresolved by 15:00 SAST, initiate partial settlement protocol.

SECTION 3: CROSS-BORDER SWIFT ZAR CUT-OFF WINDOWS

All MT103 and ISO 20022 pacs.008 cross-border ZAR wire instructions must pass AML screening and hit the BaNCS settlement gateway prior to 15:30 SAST. Instructions arriving after 15:30 SAST are automatically rolled to T+2 value date.

SECTION 4: FAILED TRADE PENALTY & ESCALATION MATRIX

Unsettled equity trades exceeding T+1 incur a daily regulatory fail penalty of 0.05% of gross trade value. Any trade > 10,000,000 ZAR failing reconciliation must be escalated to the VP of Post-Trade Settlements within 30 minutes.
